

Long Term Care magazine

Canada's magazine for long term care managers and owners.

The Product Review, a Special Advertising Opportunity

Periodically we feature a special section, called **Product Review**.

This section is available to all advertisers, to launch and maintain awareness for their products. Unlike a traditional display ad, the product review ads, which measure 2 1/8" wide x 5" deep, allow for a 4 colour product picture, a brief description of the product (up to 75 words), and a reader service reference. The price for each product review is a flat rate of \$500+GST.

For further information, please call Michael Murton at 416-323-9991 or e-mail at murton@murtonco.com
